Chatelaine: Lord Martin

Getting calls from the cards. Not too many call backs.
New boffer fighter through friend of MacKenzie (Chris).

Pursuivant: Lord Nathaniel

Canton badge has a conflict. Work still needs to be done before re-submitting.
Also working on personal names & badges for the members.

** very active.

Nathaniel worked as court herald at Baronial court.

MoAS: Fulke/Lady Kaolin

Nothing new to report (through email). Quarterly report received.
Kaolin voted in as new MoAS. She is looking at bringing in monthly educational sessions or demonstrations which will coincide with potluck (directly after the business portion of the meeting).

Exchequer: Mistress Siglinde.

Same as last month minus our monthly bank charge and 2 outstanding cheques.

Webminister: Lord Cennèdig

Website has been down for a week. We received very poor customer service - so we are switching companies. There is no loss of data as there were 3 complete backups. The website will be completely transferred to the new site - which should take another week for it to be usable.

FYI - the Yahoo groups are owned by the Seneschal.

They are moderated by deputy seneschal.

Armoured Marshal: Lady Morag

Kingston practice was a big hit. Fight practices in Cornwall working well - 6:30 small gym at St Joseph's.

Looking at big practice in Kingston every 8 weeks.

Ottawa group suggested melee practice each month or 2. (looking at opposite month from the Kingston big practices).

Investigating combat archery rules & regs.
Practice at same time as regular armoured combat practices.
Morag to contact Baldric for combat archery authorizations.

Rapier Marshal: Lord Dafydd
Report sent. Fighter practice in Kingston was successful.

Archery Marshal: Lord Terrant
Absent; no report.
