A&S workshops:

March 4, Siglinde will give a workshop on How to budget for a Feast

April 1, Nathaniel will present a workshop of Heraldry

In the summer, Vod offered to give a workshop Messala spice mixture and another class on Henna. It was stated that the Messala class needs to be outdoors as the spices are very pungent. Perhaps during an archery day at Barb's farm would be an ideal location.

Aevia sent word that she is offering to give a workshop in Period Dentistry.

Catherine hosts the scribal nights every Tuesday at her home 529 St Laurence in Winchester. She has cats.

**Exchequer:** Mistress Siglinde

Bank account was unchanged this month from last. We wrote a cheque to SCA - Ealdormere to help cover the SCA Incorporated while they work out the court case with their insurance company. This was 18% of our assets from 2010 Domesday report.

**Webminister:** Lord Richard

Richard has forwarding emails now for all officers. He will also set up deputy emails for web & pursuivant officers.

**Armoured Marshal:** Lady Morag - deputy Lady Kaolin reported:

23 fighters were at the last fighter practice plus 5 visiting from Ottawa and Potsdam.

**Rapier Marshal:** Lord Dafydd

Dafydd to discuss with Morag regarding Rapier practice along side the fighter practices in Cornwall. There is a possible marshal from Potsdam that could come up to join the practices there.

Report from attendees:

- Canton 12th Night activity - many of our canton members were in attendance and exclaimed the virtues of this event. Great site! Great games! Fighting was good including stool fighting!! We will use this site again for another canton event. It is too small to properly host a kingdom or large baronial event.
