

Canton of Harrowgate Heath  
Minutes of Meeting Summary

January 2nd, 2011

In February the Barony's Cantons are going to get together at Practicum and compare the list of paid SCA members who belong to each Canton. If you are a paid SCA member, please send Aevia your membership number by February so she can update her records.

An update of the bank account balance was given.

The Minister of Arts and Science position is now vacant. If anyone is interested, please contact the Seneschal.

Fighter practice for 2011 will begin again on January 13th in Cornwall.

The Webminister would like to start putting Arms and personas of our members on the Membership webpage, so please send those to him if you wouldn't mind yours up.

For those members who are not on the Yahoo Group and who may not receive all news sent down the list (or in private emails), the webminister is going to begin putting up more news regarding Canton things on the webpage so those people do have access to the information. So please start checking the webpage on a regular basis for news you may not have heard.

Scheduling, a mock setup, and final discussions and planning for the Masons Medieval Dinner on January 15th was done.

The Canton membership and voting terms the Canton voted on in November's business meeting have been revised.

If you would like a copy of the full and detailed Minutes of the Meeting prior to the next Canton meeting, please email the Seneschal and request them.

These Minutes of the Meeting will be available at the next business meeting.
